

Houghton Mifflin Social Studies Student Edition Online Information Sheet

School Name: Beatty
Student ID: ccsd460
Password: student

To access the website:

1. Enter the following URL: www.eduplace.com/eservices/
2. Enter your id and password in the correct fields and click log in.

3. The first time you use this site, it will ask you to select your state. Click Nevada. Then select your Social Studies book cover and click on it.

4. Use the Previous and Next buttons to move backward and forward through your book.
5. If you want to hear something read aloud, click on the green play symbol.
6. The buttons to the left of the book pages will help you understand what you read and move around the site.

Contents - Takes you to the Table of Contents page.

Vocabulary - Gives you a list of the key words from this lesson. If you click on the word, a window will pop up with the definition of the word. You can also click the link to the eGlossary here and look up other words.

Interactive Maps - You can click the links in this section to look at maps from this unit and answer questions about the maps.

Homework - This section will include things your teacher may have assigned to you as homework. You can print these files.

Education Place - This link takes you to the Social Studies section of Houghton Mifflin's website. There are some word games and Weekly Reader articles there for you to use.
